

Welcome To

At The Stone and Paddle Restaurant our focus is on "Fresh." We use only the freshest ingredients available for our food. We serve gourmet California-style thin crust pizza cooked on a 600 degree stone. We also offer our unique Stone Sandwiches, sure to please any grinder or sandwich lover. Our Stone Sandwiches are served on warm, fresh flat bread made from our secret dough recipe. All our salads are unique and large enough to share or can be eaten as a meal. Our homestyle pasta dishes are just one more reason to keep coming back.
